

# GET INVOLVED

## 6 TYPES OF PARENT ENGAGEMENT

*Every child  
deserves a  
team!*

### **Collaborating with Community:**

Access community resources provided by the school as your family needs them.

### **Parenting:**

Create an environment at home to support your student. Establish consistent before and after school routines that set your child up for success. (Homework, bedtime, getting ready for school)

### **Student Learning:**

Support your child by overseeing home assignments and communicating with the school.

### **Communication:**

Build a positive relationship with your child's teacher. You are a valuable member of the **team** here to support your child. Communicate any questions or concerns you have.

### **School Decision Making:**

Participate in opportunities to make decisions regarding the school. This could include surveys, attending meetings, and joining parent groups.

### **Volunteering:**

If your schedule allows volunteer at events, in your child's classroom, in parent groups, etc.
